St. Joseph School PTO "FUN"-Raisers & Services

Donut Sunday: PTO-sponsored Donut Sundays are a wonderful way for the children to see some of their school friends and for parents to socialize. Come and enjoy a donut, bagel, milk, or coffee after 8:30 or 10 o'clock mass.

Family Bingo: Held twice a year, come and enjoy the age-old game with fun variations to keep you on your toes. Pizza, hot-dogs, other snacks and beverages are available..... and of course, prizes to the winners!

Road Rally: Are you good at deciphering clues? Do you REALLY know your way around town? If so, this is an event for you! Join us for a fun parent evening where teams of four join together to decipher clues, collect their submissions around town, and get back to school FIRST! Then enjoy yourselves with beverages, snacks, and music as you laugh with others about the crazy things your team did to solve the clues! Prizes for the first, second and third place teams.

Uniform Swap: Held several times a year, the Uniform Swap allows families to consign and/or donate uniforms as well as purchase used uniforms.

School Supplies: Each year, families are provided the opportunity to order grade-appropriate school supplies that are made available for pick-up the week before school resumes. A list is provided at the end of the year, broken down by grade, listing all the supplies necessary for each grade. Parents can opt to purchase their supplies by themselves or can opt to purchase their school supplies through the Innisbrook program.

Family Support: St Joseph's values its families and especially those requiring support during times of pregnancy, illness, or other life situations. Family Support Coordinators in each grade contact class families and provide the

opportunity for them to offer a meal, childcare or other needed support during others' times of need.

Hospitality:

Hospitality takes care of events such as special PTO meetings, Pre-school Open House, Catholic Schools Week, Teacher Appreciation, and other ad hoc events by providing food, snacks and beverages.

New Family Sponsor:

St. Joseph's welcomes all new families to our school and Parish. This program matches new families with existing families to help facilitate an easy transition into our school family.
